<p>LSE, Mexico HelpAge, Lithuania, Armenia, RIHES.org, UK, Philippines, Hungary '1 UNWomen, UN Habitat, University of Southern California, Jamaica? South Africa, Germany?, UNFPA, Gray Panthers, AARP, Development Initiatives, Turkey, Uganda, Poland, Mongolia '2 UNWomen, UN Habitat, HelpAge (SDG framework), South Africa, Russia, UNFPA, Gray Panthers, Turkey '3 Statistics Korea, India, South Africa, Colombia, Qatar, Gray Panthers, AARP, Ghana, Turkey, Uganda, Brazil, WHO, Poland? '4 South Africa, UNFPA</p>	<p>Assessment of evidence Yr 1 – scoping document (Oct 2020) Presentation of assessment to UNSC (Oct 2022) Y5 – finalise assessment (Oct 2022)</p> <p>SG recommend a small piece soon</p> <p>Approach to consider method and activities, possible commissioning</p>	<ol style="list-style-type: none"> 1. Stocktake of data sources (including design of a tool, status and quality) – to include survey and admin sources (plus who is doing what and where). Also include global estimates and how they compare to country estimates 2. Scoping document – what indicators should we look for? (group B to provide). Incorporate SDG framework 3. Identification of starting point for countries – perhaps a country position paper (including demographic context, issues related to ageing and main data sources / gaps) – gaps at a country level and gaps of older people missing from sources 4. List of country representatives to check our assessment is right (each NSO to provide a focal person for ageing statistics) 5. Communication that advocates the use of pilot studies to test new data collections

'5 UNDP, South Africa, Uganda		
UNDESA '6 UN Habitat, Jamaica? Uganda '7 HelpAge, UNFPA	Horizon scanning / future needs (see above)	6. Report on suitability of sources for the future 7. To what extent are we prepared for humanitarian disaster – do we need new data and sources to be better prepared?
HelpAge, Mexico, LSE, Lithuania, UNDESA, Hungary '8 UN Habitat, UNDP, South Africa, Denmark, Israel, AARP, Ghana, Brazil, WHO, Mongolia '8a UNWomen, Russia '8b India, Russia, RIHES.org, Philippines '8d UNWomen '9 UNDP, South Africa '10 UNWomen, UNDP, Russia, Germany? Ghana '11 UNDP '12 UN Habitat	Conceptual and analytical framework	8. Y2 By May 2019 – first draft of conceptual framework to reflect work on: a. Yr 1 initially : Ageing and ageing processes description (living document?) b. Yr 1 Case studies from NSOs/countries c. Examples of conceptual frameworks d. Key concepts (via think pieces?) Yr 2 (final by end 2019) 9. Reports on data relevant to government policies (including case studies) – need to demonstrate a life course approach 10. By Oct 2020 – analytical framework {do we want something sooner? We will have interim steps/drafts/consultations} 11. Knowledge translation – how will countries translate knowledge into policies/decisions (from case studies?) Are there different mechanisms, could we document in different ways? 12. What definitions / measures should we consider for projections? What is used already and what may be required in the future? (NB relevant to groups A and C)
Turks and Caicos Islands, Poland '13 Statistics Korea, HelpAge, UNWomen, UN	Review / analysis of SDGs and collaboration with other groups Yr 1	13. Produce list of priority SDG indicators for age disaggregation and other dimensions (NB Vienna meeting) (overlap with group A?). Are we focused on the ageing population or older adults? Consider flexibility of country specific requirements.

<p>Habitat, LSE, UNDP, Jamaica?, Russia, UNFPA, Development Initiatives, Ghana, Turkey, Uganda, Mauritius '14 UN Habitat, UNDP, WHO '15 HelpAge, Development Initiatives</p>	<p>(NB – we don't want to reinvent the wheel – learn from others)</p>	<p>14. Guidelines for IAEG-SDGs on standardised age cohorts (overlap with group C) – check whether 3rd tier indicators need to be identified (NB – for IAEG, the sooner the guidance the better) 15. List groups we need to be involved with and how we will be involved [NB – for all non-NSI groups (and for all work strands), clarify their link to the TCG and key dates from their programmes]</p>
<p>India, RIHES.org, UK '16 UN Habitat, University of Southern California, Philippines '17 LSE, University of Southern California, UNDP, WHO '18 UN Habitat, UNDP</p>	<p>Standardisation and harmonisation guidelines Oct 2022 (may have more impact in 2025 – check SDG indicator timeline (published) 2018 and Mar 2019 key dates ...)</p>	<p>16. Work with group A on assessment of current data/sources on levels of current harmonisation/standardisation 17. Report / guidance to countries on standard approaches to enable global comparisons, inequality analysis, projection approaches. 18. Library of tools for countries to use in data collection and analysis 19. Technical + advocacy documents?</p>
	<p>Sharing information on good practice; Development of a platform for sharing information</p>	<p>Assessment of suitable platforms (e.g Data Shield and SDMX) Adoption of a data sharing platform for information Knowledge transference Repository of information Assessment of legal and ethical barriers for sharing data</p>

Year 1 – define the workplan, first technical meeting
